In-Group Feedback on Variation on Choreography

What did we do well as a group?

What emotions are we expressing in our dance?

If our dance had a story, what do we think it would be about?

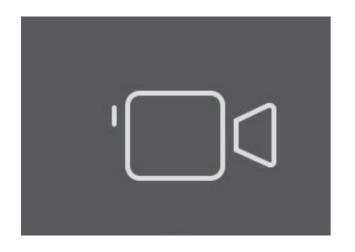

Self Reflection on Dance

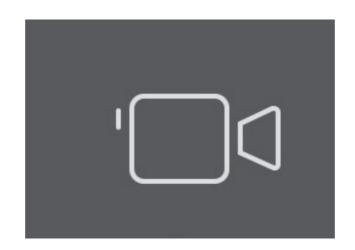

Add a video of each group member answering any one of the reflection questions below:

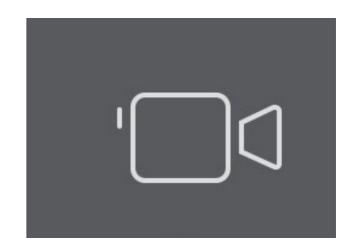

What was it like for you to learn dance vocabulary and choreography?

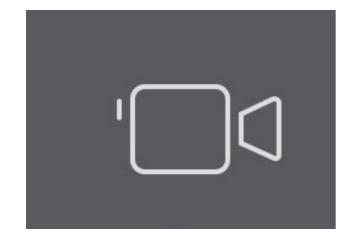

What part of dance have you learned the most? Why and how?

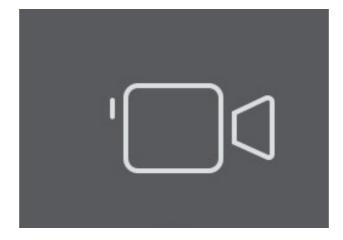

Can you describe what stands out the most to you?

Peer Feedback - iPad Exchange

Using the questions below give the other group feedback by creating a video:

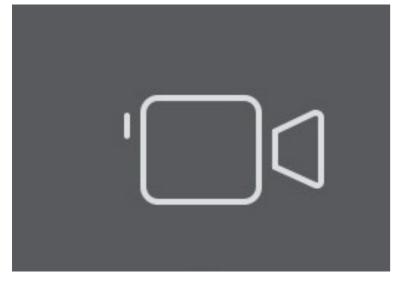

What did they do well as a group?

What elements of dance and/or emotions are visible in their dance?

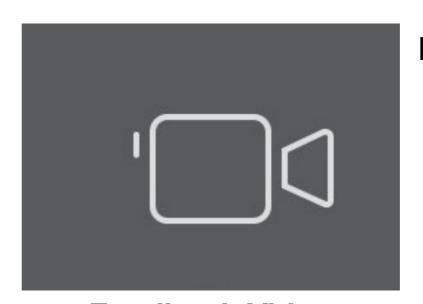

How does their dance show clarity and a clear sequence?

What are some suggestions you would like to give to this group?

If their dance had a story, what do you think it would be about?

Revision

Plan for next step:

Create a video of your group discussion. Below are guiding questions for your group discussion.

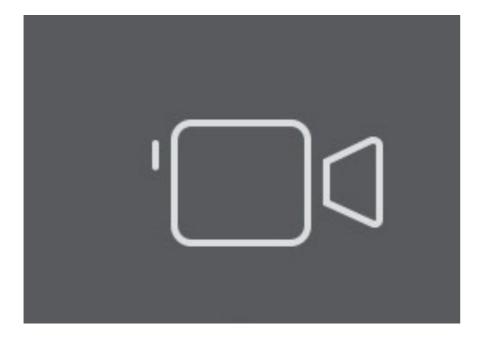

Will we use any suggestions to improve or change our dance?

What changes will my group make?

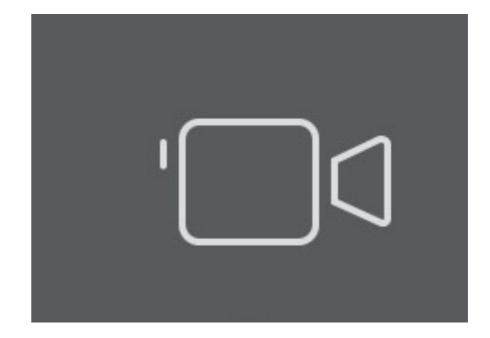

Why are the changes necessary?

How will my group implement/make those changes?
