Group Planning - Collaborative Conversation

Add video of collaborative planning conversation

What do you see in the photo?

What is the dancer(s) telling you through the shape(s) of the body?

What do you want to show in your dance/photo?

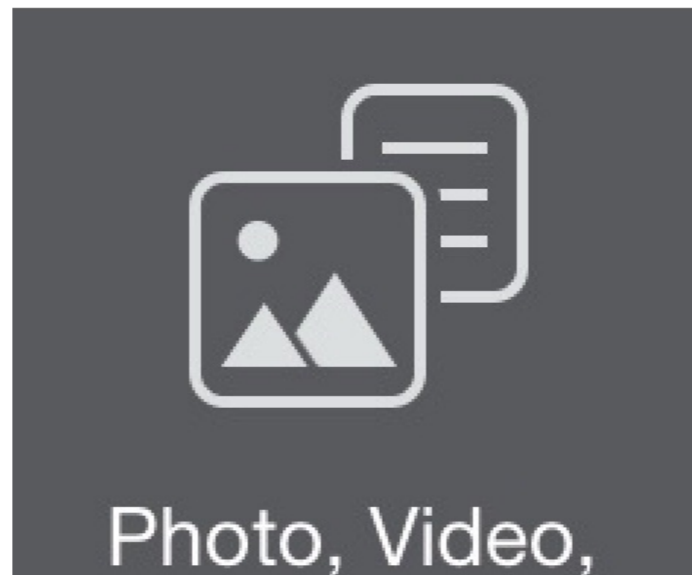

Dance -making

Perform your interpretation of the photo

Add a photo

Video of original choreography

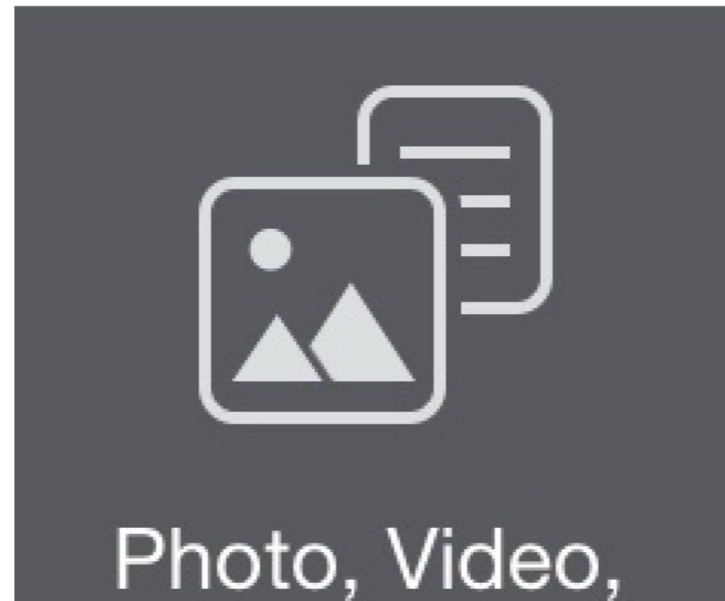

Planning conversation

What did our group select to focus on in our variation on the choreography- elements of dance, emotion, movement quality?

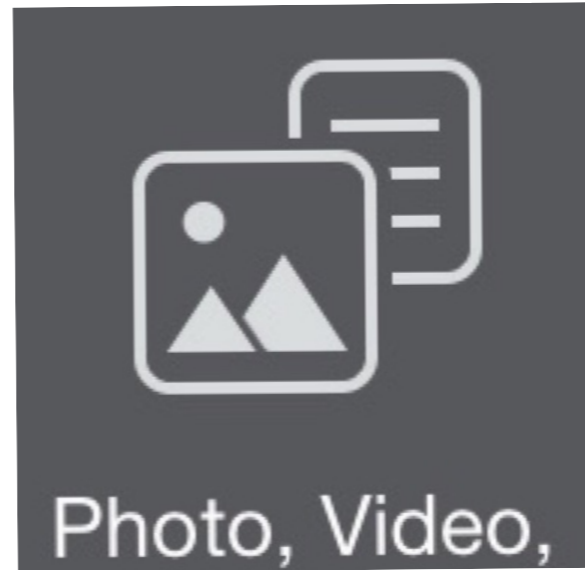

How is our variation different from the original choreography?

What challenges did we encounter as a group?

Video of variation of choreography

Feedback

Add video of feedback

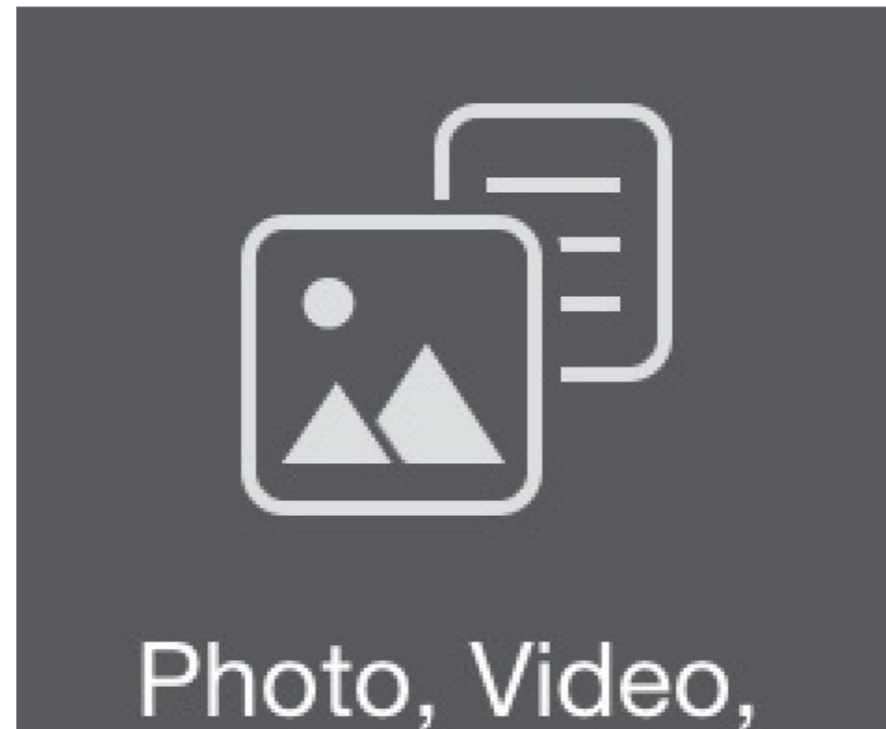

What did we do well?

What elements of dance and/or emotions are visible in our dance?

How does our dance show clarity and a clear sequence?

What are some suggestions we received?

Revision

Reflection & Takeaway

Write your answers or record a video answering these questions

What feedback or suggestions did we implement to improve our dance?

How did our revision change our dance?

How are your ideas and emotions communicated in our group's dance?
